

Curriculum Vita

Name: Ren-Chieh Lien

Title: Senior Principal Oceanographer, Applied Physics Laboratory, University of Washington
Affiliate Professor, School of Oceanography, College of the Environment, University of Washington

Address: Applied Physics Laboratory
University of Washington
1013 N.E. 40th St.
Seattle, WA 98105--6698
(206) 685-1079
(206) 543-6785 (fax)
lien@apl.washington.edu

Education:

PhD, 1990, Physical Oceanography, University of Hawaii
MS, 1980, Physical Oceanography, National Taiwan University, Taiwan
BS, 1978, Marine Science, Chinese Culture University, Taiwan

Experience:

2010 – Present: Affiliate Professor, School of Oceanography, College of the Environment, University of Washington
2012 – Present: Senior Principal Oceanographer, Applied Physics Laboratory, University of Washington
2007 – 2012 Principal Oceanographer, Applied Physics Laboratory, University of Washington
2001 – 2007: Senior Oceanographer, Applied Physics Laboratory, University of Washington
1996 – 2001: Oceanographer, Applied Physics Laboratory, University of Washington
1991 – 1995: Postdoctoral Intern, University of Washington, Applied Physics Laboratory
1980 – 1982: Marine Lieutenant, Naval Weather Center, Taiwan

Panels, Committees, Reviewers, and Honors:

Associate Editor for *Journal of Atmospheric and Oceanic Technology*
Excellence in Review for *IEEE Journal of Oceanic Engineering*, 2008
Member, Science Steering Committee of ONR DRI
Science Steering Committee, DYNAMO
Panel, National Science Foundation
Reviewer: *Journal of Physical Oceanography*, *Journal of Geophysical Research*, *Geophysical Research Letters*, *Continental Shelf Research*, *Deep-Sea Research*, *Journal of Marine Research*, *Journal of Atmospheric and Oceanic Technology*, *Journal of Oceanography*, *Journal of Fluid Mechanics*
